Guide for Completing CERFA 10070*03 Form

Declaration for duty-free import of personal belongings into France

This guide explains how to correctly complete the CERFA 10070*03 form when importing your personal belongings into France without paying duties or taxes.

1 Your Personal Details

Fill in:

- **Full name (exactly as on passport)**
- **Your residential address in France**

If your belongings are to be stored temporarily:

- Write the name and address of the storage company or person holding them

2 Reason for Import

Tick ONE of the boxes:

- **Résidence principale → Moving your main residence to France**
- **Mariage → Wedding belongings/presents**
- **Études → Student belongings for studies in France**
- **Héritage → Inherited goods being sent to France**

These goods must be for your personal use only (not for sale or business)

3 Inventory of Goods

Attach your detailed inventory (in two copies):

- Describe the belongings grouped by item type
- Include estimated value in EUR if possible

Tick the boxes if:

- Some items will arrive later
- You have already imported some belongings earlier

4 Who Handles Customs Clearance

Tick one option:

- **You are completing customs clearance yourself**
- A customs agent / removal company will handle it

In this case, they must complete the section on the back of the form

5 Your Legal Commitment

By signing, you confirm that:

- Goods are for personal use
- You will present them to customs if requested
- You will not sell/lend/rent/gift them within 12 months of arrival

Enter:

- **Location** (À)
- **Date** (Le — **DD/MM/YYYY**)
- Your signature
